Whereas the United States Congress and President of the United States passed authorization for a CMU Check-off program;

Whereas the U.S. Department of Commerce will be developing an order that will outline a referendum likely to be held in late 2019 that will ask the CMU producer members to authorize a CMU Check-off program;

Be it resolved, that the Mason Contractors Association of America (MCAA) Board of Directors:

1. urges all CMU producers to support the referendum
2. urges CMU producers to reach out to other producers to support the referendum
3. urges Members of the MCAA to support the referendum

The MCAA Board of Directors and membership voted unanimously to support this referendum at the January 25, 2019 Annual Meeting at the Vdara Hotel, Las Vegas, NV.
